## CARQUEST Offers a Comprehensive Line of High Quality Filters

The one product found on just about every vehicle is a filter! Gasoline, diesel, even electric vehicles use filters to keep them performing at their best. Not only do filters keep oil, air, and fuel clean, they are also keeping the air we breathe clean.

### Premium Blue Oil Filters:

- Superior quality
- Collects up to 45% more dirt than other national brands
- Silicone anti-drain back valve
- Full-metal base plate
- Up-front safety by-pass valve
- **Heavy-Duty XD** oil filter available for agricultural, fleet, and off-road applications

### Premium Blue Air Filters:

- Provides ultimate protection
- Superior coverage
- Heat resistant plastisol
- Contains T03 glass enhanced media
- More pleats provide higher filtration function
- Designed to meet or exceed vehicle manufacturer's specifications

### Premium Blue Fuel Filters:

- The most comprehensive fuel filter program ever!
- OE matched for form, fit, and function
- Contains all applicable hardware including brackets, hoses, clamps, washers and bolts

***CARQUEST quality products will always have you covered!***

# CARQUEST Filters

## Did You Know?

- A dirty cabin air filter can affect the performance of the HVAC system.
- As much as 10,000 gallons of air must pass through the air filter for every gallon of fuel the engine burns.
- CARQUEST filters meet or exceed original equipment specifications and will not void the manufacturer's warranty.
- CARQUEST provides a fluid analysis service. Ask your local CARQUEST store for more details.
- CARQUEST also offers fleet surveys for better inventory management and coverage.

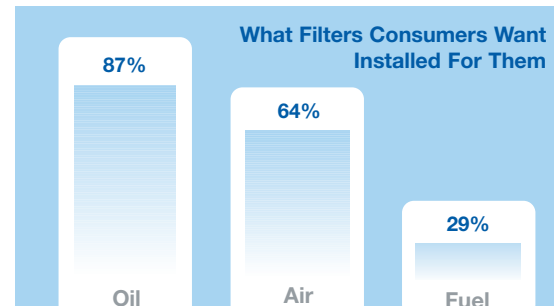

## CARQUEST Total System Solutions:

CARQUEST has filters for most applications, including: medium-duty coverage of cars, light-duty trucks, and marine; heavy-duty coverage of agricultural, fleet, and off road to assist you with the proper repair.

You can rely on CARQUEST to supply the highest quality filter products to fit your needs.

## Premium Cabin Air Filters:

- Filters the air we breathe in the passenger compartment
- Removes dust, pollen, & mold
- Found on most new vehicles and some heavy-duty and agricultural equipment
- Superior quality and coverage
