86651 Fuel Filter Product Replacement for Davco Fuel Pro 380 & 382

Davco
Fuel Pro 380

Part # 86651

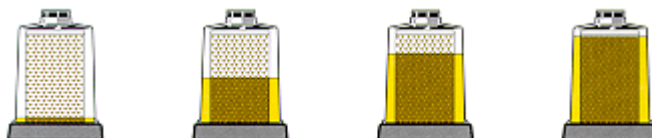

New Grommet on
CARQUEST Filter's 86651
will fit all applications of
Davco Fuel Pro 380 & 382.

CARQUEST Filter's 86651
will now fit those applications
that previously used a **NAPA
Filter 3451**

CARQUEST Filter 86651 is the Filter
replacement for Davco Fuel Pro 380 & 382. A
new grommet has been developed to fit both the
Cummins/Cat and Detroit applications,
eliminating the need for stocking two filters.

In an emergency, a standard Cummins (**CARQUEST Filter #86109**) or Detroit (**CARQUEST Filter #86120**) filter can be used on the threaded stud on the base.

	Davco	Baldwin	Detroit	Fleetguard	CARQUEST Filter
Part #	380067	PF7620		FF5278	86651
Part #	380087	PF7621	23521528	FF5369	86651
Part #			23514049	FS1029	86651

In Davco's system, as the filter traps more contaminants and the media becomes plugged the fuel level rises. This allows fuel to continue to flow through clean media and have a low restriction level until contaminants completely plug the filter. This ensures that all the filter capacity is used.
